We need 4 police officers for the semi-annual HPNA yard sale taking place on June 3. I am working with Officer Greg Streever from LMPD and he will have 3 other LMPD officers to control traffic during this event. The cost per officer for 5 hours of the event will be 125.00 each for 4 officers. Thier hours will be 7am until noon. This event draws thousands of people and they are needed for traffic control and public safety.
