Mr. Aniton,

I understand you and Councilwoman talked Monday about the Office for Youth Development serving as a fiscal agent for the Newburg Youth Council. I have to have something in writing from you before I can process any paperwork. A response to this e-mail is sufficient. As previously stated, Councilwoman Shanklin is looking to begin the NDF appropriation process....yesterday!! Thank you for your attention and response.

Mr. Aniton,

I am trying to follow up with you about your meeting with Rev. Lightsey regarding the Newburg Youth Council. Please let me know If the Office of Youth Development has agreed to serve as a fiscal agent for the Newburg Youth Council. Councilwoman Shanklin is looking to get the ball rolling as soon as possible. Thank you, in advance, for your prompt attention to this matter. As always, feel free to contact me if I can be of further assistance or if additional information is needed.
