**Sponsored by The Greater Louisville Project**

**Tuesday November 10th — 7pm-8:30pm**

**Southwest Government Center; 7219 Dixie Highway**

Come learn and talk about the challenges that children in Southwest Jefferson County face in continuing their education. The Community Forum is open to the public. Please come to learn what the research says about education in Southwest Jefferson County.

You can ask a panel of experts your questions about the current state of education and efforts that are underway. Participate in a brainstorming session to discuss what we can all do to break down the educational barriers for our children. Special Guests include State Representatives Darryl Owens, Joni Jenkins, Tim Firkins, Kevin Bratcher, State Senator Perry Clark, Metro Councilmen Rick Blackwell, Bob Henderson, Shively Mayor Sherry Connor, Doss High School Principal Glenn Baete, JCPS Board Member Linda Duncan and Carolyn Gatz of the Greater Louisville Project.
