## **Volunteers Needed For Free Tax Program**

**For the third year we will be sponsoring a free tax service, available to those individuals or households earning under \$49,000 per year. The new location will be at Sun Valley Community Center at 6505 Bethany Ln.**

**The program is highly dependent upon volunteers. You don't have to be a computer "whiz" to be a volunteer tax consultant. You will be sufficiently trained and the rewards are great in personal satisfaction, just knowing you have helped someone prepare their taxes and possibly get a refund.**

**To volunteer call Kathy Pullen @ 933-0761 or call our office at 574-1114.**
