The Southwest Farmer's Market, held each Saturday in the parking lot of Valley High School, is now closed for the year. We will announce its reopening next year.

Any farmers interested in selling at the Southwest Farmer's Market next year (must be local and majority of goods grown by vendor), they can contact Kathy Packard at mmfarm@bbtel.com. Be sure to put Southwest Farmer's Market on the subject line. You will be informed of meeting dates, and the particulars of joining the farmer's market. No crafts, unless made from farm products. Licenses & permits may apply.

See you next year.
