

Are you worried that past credit or money problems would keep you from opening an account?

Bank On Louisville's **Start Fresh** program can help! This program helps those with negative histories get a second chance and find a way to financial independence.

To participate, contact one of our financial education providers who will help you complete a **FREE** workshop and establish a pathway to improved financial success.

Workshop includes information on common account features, budgeting, fraud prevention, and much more!
