- Contractors used for roads and sidewalks must be pre-qualified by the KYTC. This may be a challenge for some small businesses.
- Today, the Metro Council is being presented the identified projects that are being submitted to KYTC and FHWA for approval. Includes 8 new sidewalk projects, 390 sidewalk repair projects and 19 pavement rehabilitation projects
- Project approvals from FHWA not anticipated before early July
- TARC is preparing the application for the Green House Gas Reduction grant
- TARC's projects will be awarded the week of 5/ 25
- Louisville At Work Team reported that the Project Tracker is on the Louisville At Work website. A map is being developed to show project locations
