

Louisville Metro Revenue Commission

Form W-2
Filing Specifications for
Electronic Filing

Introduction

Annual Form W-2 information must be submitted to the Louisville Metro Revenue Commission by employers with employees who perform services with Louisville Metro, KY. This includes all of Jefferson County, Kentucky. This data can be submitted to this agency electronically. The data can be formatted according to the Social Security Administration (SSA) Specifications for Electronic Filing of Annual W-2 Information (EFW2), formerly known as “MMREF”, or in and Excel spreadsheet. See further information concerning how to format the data below.

Who has to file:	Employers with employees who perform services both within the Louisville Urban Service District (formally the City of Louisville) and within Jefferson County, KY, (outside the Louisville Urban Service District).
Filing Information:	Due Date: February 28th All filings must be sent to: Louisville Metro Revenue Commission W-2 Filings P.O. Box 35410 Louisville, KY 40232-5410
Corrections:	Corrections may be submitted in the same format as the original submission or may be filed on paper. If submitted via CD or DVD, label the media as ‘Correction’. Submit corrections to: Louisville Metro Revenue Commission W-2 Filings P.O. Box 35410 Louisville, KY 40232-5410

Acceptable Medium

Medium Accepted by Louisville Metro Revenue Commission

1) **Electronic Upload Specifications**

- a) The file size should not exceed 500 MB.
- b) Go to our web site, www.metrorevenue.org, and follow the directions under *Electronic Services*

2) **Compact Disc (CD) specifications**

- a) 650-700 MB capacity
- b) CR-R format only, no RW formats will be accepted.
- c) The CD cannot contain multiple files.
- d) Data cannot be accepted in zip format.
- e) The file of the diskette must be named W2REPORT.

3) DVD specifications

- a) 4.7 GB capacity
- b) Acceptable formats
 - DVD-R
 - DVD+R
- c) DVD cannot contain multiples files.
- d) Compressed data acceptable in zip format

External Label Specifications

The external label on a CD or DVD must include “W2” along with the calendar year and the transmitter name and account number. The external label for a multi-volume CD or DVD must indicate the proper sequence for processing. For example, volume 1 of a 2 volume file must be labeled “VOL 1 of 2,” volume 2 would be labeled “VOL 2 of 2.”

Transmittal Form

Media forwarded to the Metro Revenue Commission must be accompanied by a Form W-3. A copy of this form can be downloaded from our web site at www.metrorevenue.org.

Send media to the address below:

Social Security Administration (SSA) Specifications for Electronic Filing of Annual W-2 Information

The W-2 data forwarded to the Revenue Commission must include only those employees that earned wages while working in Louisville Metro, KY, (Jefferson County). The records' formats must follow the specifications published by the SSA in Publication EFW2, formerly, MMREF. The required data is in the same records and location as found in the SSA EFW2.

Any record types other than those listed below will not be process by the Louisville Metro Revenue Commission.

“RA” Submitter Record. This is the first record on each file. The RA record identifies the organization submitting the file. The record layout is identical to that required for the SSA EFW2.

“RE” Employer Record. This record identifies the employer paying the wages for the employees in the RS record(s). The record layout is identical to that required for the SSA EFW2.

“RW” Employee Wage Record. This record identifies the income and tax data for employees.

“RS” State Record. The record identifies the employee and reports the total amount of wages received during the year and the types and amounts of withholding on those wages. The record layout is identical to that required for the SSA EFW2.

Note: *Only those employees that earned wages while working in Louisville Metro, KY, (Jefferson County, KY) should be reported.*

Submitting W2 Data via an Excel spreadsheet

The data printed on the W-2 form for the employee can be submitted to the Louisville Metro Revenue Commission in an Excel spreadsheet in the format outlined below.
