FOR IMMEDIATE RELEASE:

## Animal Services Needs Your Help After a Heartbreaking Situation

*Elderly woman passes away leaving over a dozen cats without homes*

**LOUISVILLE** (February 3, 2012) Metro Animal Services is looking for some loving homes for a number of wonderful cats after an elderly lady passed away. Animal Control Officers went to a home in Louisville after receiving a call from Louisville Metro Police. Unfortunately, 15 cats were left without a caretaker. Most of them are black, traditionally a more difficult adoption simply because of the color of their fur. Five of these cats are still looking for a new home:

**Betty**: A seven month old black beauty with a little white on her belly. She is extremely playful and outgoing and simply needs a new home to call her own.

**Daddy Warbucks**: This two year old is the wild one of the bunch. He loves to have fun and will have you howling in minutes.

***Vivian: This six-month-old loves attention so much so, that she will roll around until she gets it. She is extremely responsive, a quick learner for sure.***

***Uno: A five-month-old brown tabby that is absolutely gorgeous and has very unique “tiger like” markings. He is a bit on the shy side, but a little love quickly breaks him out of his shell.***

***Wilma: A very petite 10-month-old black cat that is a little reserved. She has a beautiful coat and would make a great addition to your family.***
