**RE: Recommendations from the Citizen's Commission on Police Accountability
Following a Review of the Davis Investigative File**

Dear Mayor Abramson and Chief White,

This letter contains the official recommendation of the Citizens Commission on Police Accountability after its review of the investigative file in the Davis shooting.

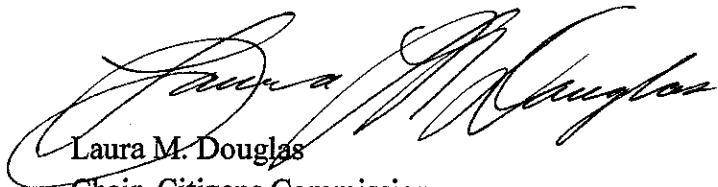

After reviewing the Davis file, we found the investigation to be adequate and complete. While we have no substantive recommendations to offer regarding the investigation at this time, members did want to make one non-investigative recommendation.

Due to the familiarity between Mr. Davis and one of the Officers involved in this case, the Commission recommended that training scenarios, stressing the potential dangers in situations where there is familiarity with an individual, be provided to Officers.

Chief Robert White
