

METRO Parks

Project Information

We are excited that you are considering a Service Project with Metro Parks. This sheet is step one for any and all Service Projects in Metro Parks. Please complete and submit prior to submitting a full Project Proposal. This allows us to alert you to potential concerns as early as possible. You may use the back of the sheet or attach additional pages if necessary. After review, we will contact you to request a full Project Proposal.

1. Describe the scope of your project.

2. Describe the level of commitment you can make as part of this request. This includes resources, labor, and financial donation.

3. Describe in detail what you would need from Metro Parks.

4. Describe the time frame for this project.

5. Add anything else you would like to be considered, or any requests to Metro Parks as part of this request.
