## LMPD At Fairdale Police Station !!!

Once again, I am happy to announce a greater Police presence in the Fairdale area. As of yesterday, November 2nd, LMPD assigned our District Resource Officer Michelle Klein full time at the Hornbeck Park location, 709 Fairdale Road. Maj. Jim Sohan, along with the patrol sergeants that cover this sector of the Division will also have offices there. We now can enjoy the presence of these officers for a longer period of time since they no longer travel back to the Dixie Highway location. Please help me in welcoming Maj. Sohan and these officers back to Fairdale community as they patrol all of District 13.
