

PARK Themes & Dot Exercise (from July 22nd Advisory Group meeting)

The following tables represent a summary and prioritizing of items recognized during the July 22nd, 2009 advisory group meeting. The purpose of the exercise was to identify all the items they would like to preserve, add, remove and keep out of Westport Road Corridor study area. The results will provide feedback for the plan and the eventual goals and objectives established for the final plan.

Preserve	Dots
Parks and green space	10
Neighborhood identity/small town feel	9
Goose Creek (water quality)	9
Safety (low crime)	8
Quality retail	7
Transit service	4
Environmental resources	4
Institution and civic uses	2
