

### **11.3.1 General**

Review of Planned Developments (e.g. PD, PVD, TNZD and PTD) shall follow the review procedures outlined in the regulation establishing the planned development district.

### **11.3.2 Concurrent Review of Form District Map Amendment**

In the event that a Zoning District Map Amendment to a Planned Development District also requires a Form District Map Amendment, the applicant shall so indicate at the time of Zoning District Map Amendment application and the Zoning District Map Amendment application materials shall be deemed sufficient for initial review of the Form District Map Amendment.

### **11.3.3 Relationship to Form District Design Standards**

In addition to the standards established in the Planned Development District, development must also comply with the standards established in the applicable Form District. In the event of a conflict of standards, the standards of the Planned Development District shall apply.
