Holiday Crime Prevention Tips

'Tis the season to be jolly, but it is also the season to be wary of burglars, thieves, pickpockets, and other holiday Grinches.

Holiday Crime Prevention Tips

**Nothing can ruin
the Christmas spirit
faster than
becoming the
victim
of a crime.**

Protecting Your Home

Unfortunately burglars and thieves view the holiday season a little differently...for them, it is a time of opportunity to steal or burglarize your home for cash, credit cards, and NEW gifts than can be returned for cash.

Protecting Your Home

The following are a few strategies that will help you enjoy the holidays without sacrificing safety or security.

Protecting Your Home

Be extra cautious about locking doors and windows when you leave your office, house or apartment, even for a few minutes.

Protecting Your Home

Don't openly display your Christmas tree and gifts in the front window so it's easily visible from the street. Thieves or burglars can plan a later break-in based on their earlier observation.

Protecting Your Home

Don't advertise
...Burglars look for
occupancy cues like
outdoor lights
burning 24 hours a
day, piled up
newspapers, mail, or
advertising flyers
hanging on the door
knob.

Protecting Your Home

Use an inexpensive light timer if you are away and ask a neighbor to pick up your newspapers and mail.

Protecting Your Home

If you go out for the evening, turn on lights and a radio or television so the house or apartment appears to be occupied.

Protecting Your Home

Burglars know to look for the hidden door key near the front entrance. Don't hide spare keys under rocks, in flowerpots, or above door ledges.

Protecting Your Home

Burglars prefer to enter through unlocked doors or windows. A problem can occur when exterior Christmas light extension cords are run inside through a window and prevent it from being secured.

Protecting Your Home

Don't post your family name on your mailbox or on your house. A burglar can call directory assistance to get your telephone number and call your home while in front of your house to confirm that you are away.

Protecting Your Home

Don't leave descriptive telephone answering machine messages like, "You've reached the Wilson's...we're away skiing for the Christmas holidays...please leave a message." Bad guys love to hear that they have plenty of time to break in and completely ransack your home.

Protecting Your Home

After Christmas day, don't pile up empty gift boxes from your new computer, DVD player, or stereo receiver on the street for the garbage man. Burglars appreciate knowing that you have expensive gifts inside for them to steal. Break the boxes down or cut them up to conceal the items better.
