On Sunday, June 1st Councilwoman Tina Ward-Pugh was honored by Breaking New Grounds for her assistance in helping the new company as it creates soil enriching compost by using garbage that would otherwise end up in the landfill. Joining Councilwoman Ward-Pugh (from left to right) are Geraldine Kelly, Mary Tucker, Ken Kleiber, Gary Heine, Steve Heine, Susan Buckmaster, Bruce Bridges and Sarah Fritschner. Below, Council Ward-Pugh sees the company in operation at the Earth & Spirit Center, 1924 Newburg Road
