Council

OFFICE OF THE MAYOR
LOUISVILLE, KENTUCKY

JERRY E. ABRAMSON
MAYOR

Dear Friend:

Louisville is a community that sees its future through the eyes of its young people. That's why we provide top-notch opportunities for our youth and we are committed to expanding and improving those services.

I am pleased to present this Youth Service Provider Directory to assist our youth, parents, citizens, and service providers. This directory has the latest information about youth programs and services in the area. The agencies contained in this directory play a vital role in youth development. They are dedicated to meeting needs and providing positive outlets for our next generation.

Research has shown that connecting young people to structured youth programs can help them realize their full potential. This directory will assist you in connecting the young people around you to these outstanding resources.

As we encourage our young citizens to dream big for themselves and our community, we take pride in knowing that we are laying a solid foundation for their future—the future of Louisville Metro.

Again, thank you for your support and encouragement of our most valuable resources, our children. By providing these opportunities today, we are guaranteed a brighter and better tomorrow.

Sincerely,

Jerry E. Abramson
Mayor
