Drew,
We're going to give \$5,000 to the sidewalk project. I will start the paperwork.

Thanks,
Leah

We will be paying for the additional cost over what you and Councilman Kramer contribute.

Is the city giving anything, or is the 30K all on Kramer and us?

The project was sent over to Purchasing yesterday and should be out to bid next week. We are estimating the cost should be around \$30,000. It is hard to tell since the increase in gas has caused our contractors prices to fluctuate a bit.

Drew,

... Ellen wants to know what the total cost of the sidewalk project is so we can determine how much to contribute.

Thanks,
Leah

Greetings everyone,

This is to follow up on the status of the Hikes Point Starbucks. We have met with Jim Calvery of the Nicklies Development Company and discussed his site plan which has been reviewed and approved by Public Works. It is my understanding that both Councilman Kramer and Councilwoman Call have agreed to contribute \$10,000 each towards this project that will go towards the replacement of the sidewalks and curbs at this location. Please move forward with the funding resolution that will allow the necessary cost center to be set up in order for us to fund the project after we have awarded the bid.

If you have any questions or need clarification please call me at ext. 1560.

Thank you,

Drew
