Dear Councilman Watkins:

New Directions Housing Corporation is about to wrap up the final projects under the current District 1 Emergency Repair Program. We feel that the current contract has been a tremendous success. The funds allocated allowed us to facilitate repairs on thirty-two (32) homes. The repairs included water heaters, electrical service, furnace service/replacement, gutter-work, porch repairs and one total roof replacement. The funds allotted for this program are powerful because they are flexible. Often we leverage these funds with other resources, especially Repair Affair volunteer labor, for maximum impact.

At this time New Directions asks that you consider funding the District 1 Emergency Repair Program once again. We are very thankful for the opportunity to serve the wonderful District 1 homeowners and would be honored to continue our partnership.

Sincerely,

Lisa Thompson
