Subject: Sidewalk construction along Shelbyville Rd.

Public works received a "Capital Infrastructure Fund" (CIF1130MP) in the amount of \$33,000 for sidewalk installation project in District 19:

- 1 - Along Shelbyville Rd from Shelby Station Dr to Beckley Station Rd. (\$16,000) ;*
- 2 - In front of 13910 Shelbyville Rd. (\$6,000) and*
- 3 - Along the east side of LaGrange Rd. between Saddlecreek & Oliver Station (\$11,000).*

On May 11, 2006 this project was bid (bid# 952) for the first two locations along Shelbyville Rd. The low bid was \$18,500 leaving a balance of \$14,500 in the CIF account.

We removed the 3rd location from this project after we found out the sidewalk on Lagrange Rd. was the developer's responsibility to install . A letter was sent and the sidewalk was built by the developer.

Recently Councilman Heiner requested another sidewalk construction along Shelbyville rd. between Beckley Station and Wickfield Dr. for an estimated cost of \$13,000.

In order to include all 3 Locations in one project along Shelbyville Rd. Public Works would like to add this new location to bid #952 and use the balance remaining in CIF1130MP account toward the construction of sidewalk along Shelbyville rd. between Beckley Station and Wickfield Dr.

Please Let me know if you have any questions. Thanks

Mojgan Taghizadeh
